Important – <u>Read and Initial each Line</u>

_____1. The meter shall always be used when getting water from any hydrant in the EPWSA Service territory. (including all subcontractors).

_____2. The renter shall be responsible for any damage to the meter. Upon completion of work, renter shall promptly notify and return the hydrant meter to EPWSA.

_____3. The renter shall be responsible for all payment of all fees accumulated during rental until the meter is returned and the contact is terminated.

_____4. The renter is required to provide a picture of the hydrant meter register each month and email a photo to asmith@inframark.com and nspani@inframark.com. Photos are due by the 15th of each month. Failure to submit a photo or contact the office by the 15th of each month renter shall incur a 15% late fee of the monthly bill total.

_____5. If meter is lost, stolen, or otherwise not returned, the Renter shall be responsible for the cost of replacement, therefore forfeiting the rental deposit of $3,000.00 to replace the meter. Meter shall be stored in a secure environment. (Do not store in the back of an open bed truck).

_____6. Improper operation of fire hydrants can cause severe damage to the County's water system and surrounding property. By renting and using a hydrant meter, the Renter agrees to fully compensate EPWSA and any other party for all damage arising from or related to the renter's use of hydrants within the EPWSA service territory.

_____7. Renters shall operate fire hydrants and hydrant meters properly, including but not limited to the following:

a. Fire hydrants must be opened and closed slowly to prevent water system damage.
b. Fire hydrants must be opened and closed with a properly sized hydrant wrench.
