I, hereby make application for a building permit to perform work as described above and if permit is granted, I agree to comply with regulations and ordinances of the City of Fort Valley pertaining thereto and in accordance with any plans submitted. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. This granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. I understand failure to comply with these regulations could be grounds for revocation of the permit. I hereby certify that the information contained in this application is true and correct to the best of my knowledge.									
Applicant				Date					
A Building Permit Valuations. If, in the opinion of the Building Official, the valuation of building, alteration, or structure appears to be underestimated on the application, permit shall be denied, unless the applicant can show detailed estimated costs to meet the approval of the Building Official.
